Eventually we're going to convert from this system to another system. But for now we're holding at that percentage. So I just wanted to interject and let you know as far as the local AI that everybody is concerned about, that’s kind of were it’s at. As far as the actual cash aspect there are over 45,000 accounts, each account has been tied to a different area of the world obviously some have more than others for example, in the past England had a lot, obviously the United States has a lot of USD. As it was used for the predominant trading currency.”

9.4 “Kim Possible”: “Yes, to answer your question the financial system is under the protection of the UPU, currently, so if anybody makes an attempt to make a transfer that is on authorized on behalf of the cabal, Chinese Elders or european Elders or the Divine...other names they call themselves..”

9.5 “Kim Possible”: “The agreement does have an end date, it has an end date every time we go thru the loop. This loop ended December 23rd 2012 officially. Which had a trickle down affect because there were other agreements between the families or what you call all of the Illuminati people, or the dragon people. They had agreements amongst themselves with different groups, different places different countries and so the predominant amount of agreement I guess started expiring around June 15th 2011 and continued on until the end of 2012 The enforcement of that agreement is what has began recently because the tribes or Humanity was not stepping forward wasn't to actually say okay we don't want that agreement to start over again because we want a new agreement because the old group that they were so powerful that it would just be business as usual and 'we don't care what you say" So that is what had been happening since

the end of 2012. From every aspect, banking all the way up to continuing to try and effect martial law. Not only in all the nations but continuing on with their 'one world' under the Draco. Its only been a few weeks now where Humanity has actually stood up and said no more. So that is the treaty that is now being enforced by the UPU and by the Council."

- 9.6 "Thomas Williams": "Yes, well this is a new (FB) group but we've got a lot of members from the previous group & one of the things that I've encouraged along with my partner is people to private message me if they were struggling w/paranormal events and so we could give them the confidence and trust to come forward to us so we wouldn't betray that trust and eventually give them the confidence to go out onto the page and tell their story as more people tell their story and not as many people will feel lonely and feel like they're going nuts or you know losing their minds so that this is kind of the hidden work of our particular group and the previous group we were attached to. And a lot of people experiencing these things and now can gain the trust within the group & within themselves which is more important to now relay their stories to other people without fear of being ridiculed and so that's the work we're doing with our group and everyone supporting each other and hopefully once we get the foundation up and running we can expand it out to the rest of America which will be good! getting the people all working together again."

9.9 All actors mentioned during the THI Show on August 25, 2016 (section 9.7) have intentionally persevered in identifying themselves as the betrayers and plagiators of the Krystal River Host AL-Hum-Bhra (AMCC) Fail-Safe Mission.

10. "Kim Possible" has IGNORED Humanity stepping forward with NO CONSENT for accessing the WORLD TRUST and her involvement in luring corporations who pretend to be countries, in financial contracts obligating the buyer to purchase an asset or the seller to sell an asset, such as a physical commodity or a financial instrument, at a predetermined future date and price. Futures contracts detail the quality and quantity of the underlying asset; they are standardized to facilitate trading on a futures exchange. Some futures contracts may call for physical delivery of the asset, while others are settled in cash.

10.4 "Anna Von Reitz" has defined the indigenous Heir / Inhabitants of Humanity as follows:

"We are innocent Third Parties who have been embroiled in merchant "wars" that have nothing whatsoever to do with us"

10.5 The indigenous Heir / Inhabitants of Humanity living on Our Beloved Earth, are the Entitled Heirs to their own Throne: the inheritance of their OWN per stirpes afterborn. Most definitely an Heir is NOT a Beneficiary Commercial Third Party.

Adjudication 10.4 up to 10.9: 1. The individual 1666—Cestui Que Vie Birth Trust Inheritance was designed to deceive, impoverish and exclude the Heir / Inhabitants and resulted in the IN SEA DEAD degradation of the whole of Humanity. 2. As barely NO Heir / Inhabitant knows the very existence of these Treaties; The Holy Roman Empire had to 'renew' the incriminating evidence against Humanity. 4. In the Netherlands, a presumed National Historical Contest was staged. January 30, 2018, the Dutch public was led to believe, that 1581—Treaty called: "Plakkaat Van Verlatinghe" was the 'People's Vote Winner'. 5. could have his property seized, his name erased and his statues reworked. Because there is an economic incentive to seize property and rework statues, historians and archaeologists have had difficulty determining when official damnatio memoriae actually took place.

14.2 The UNDER SEA / INSEAD / IN SEA DEAD degrading and digital block chaining of Humanity is a DAMNATIO MEMORIAE which, as an economic incentive represses the majority for the benefit of the few, enables the few to seize property from the majority and cause Humanity to lose comprehension of its divine source and the true potentials of its Ascension Heritage.

14.3 The Rastafarization of Humanity's life on Earth; a. the corporations pretending to be countries; b. the synthetic actors pretending to be of royal bloodlines; c. the geo engineering of climate change and d. the premeditated simulated natural disasters, to seize property and assets from Humanity, are all acts of DAMNATIO MEMORIAE.

Humanity was deceived and brutally abused “by the Annunaki Resistance (during the “show” (as mentioned in section 9.1) renamed: UPU), some of their ET co-conspirators and the Templar—Annu—Resistance loyalists lineage who became their earthly operatives.”

Voyagers II, page 68, ISBN 1-893183-25-4 (1999) (© 2002) (Reprinted 2009) (2000-2017).

15.2 ET Council “translator” during ‘show’ (as mentioned in section 9.1) justified the hostile act of DAMNATIO MEMORIAE, in the following statement:

“You as a people, you agreed to be removed from your divinity when you incarnated on this planet. It's part of the simulation that we are going through. So you go to this process where you forget. Some refers this as to “The Great Forgetting”, when you come here and you don't remember where you came from or your connection to the universe. It has to do with this duality experiment and Free Will. So it's not that we've not had contact or representation or voice with them, it's that we made a choice to sacrifice some like, some of our rights as universal citizens when we incarnated on Earth.”

15.3 Humanity's DAMNATIO MEMORIAE that has resulted in the INSEAD / IN SEA DEAD degrading of Humanity, was deliberately and by force imposed upon Humanity. This presumed agreement, is more commonly known as the MANDATORY BIRTH REGISTRATION.

15.4 The Government—Trustee then floated the birth certificates on the Sea of Commerce.

15.5 Subsequently the Government—Trustee engineered consent for IN SEA DEAD policies.

15.6 The majority of birth registered so called “citizens” were repressed for the benefit of the few.

15.7 The few indulge in distinctions of all sorts, like presumed royalty bloodlines and ‘merits’.

15.8 All Orders, Knighthoods, DeLivery Companies, Royalty, Dynasties and Empires, aim at the liquid capital dissipation of the Cestui Que Vie birth trust inheritances of the per stirpes, Heir/-inhabitants and their eradication, to loot their birth trust inheritances and nature's resources and are therefore: nullified and void.
