**Definitions from the exposition “Law Derives From Religion” author: Anna von Reitz**

5.1 “Satanism is the religion that gives rise to the Law of Commerce”;

5.2 “The Law of Commerce also known as Law Merchant, Maritime Law, and in more recent days in other "special" venues, as Roman Civil Law and as British Equity Law—are all different names for the same thing. And they all derive from the practice and beliefs of Satanism”;

5.3a. “So now you know why apprentice lawyers in Scotland are called "devils" and you know why the Office of the Roman Pontiff (vacant since 2011) required the Pope to sit on a throne surmounted by a giant snake.”

6. AL-Hum-Bhra Magistracy Councils Of Cosminyahas (AMCC-MCEO) Eternal First Fields Intelligence (EFFI) Krystal River Mission - Sacred Law of One,

**concludes as follows:**

5.0 Law Derives From the Law Of One and the knowledge of sacred science through which that Law can be actively applied.

5.1 The original Templar does not teach of “good and evil”; it teaches that evil deeds are the result of ignorance to the true structure of the universe, and that evil is cured through the Law Of One. It teaches that Sacred Humanity is created to be free, and in that freedom should be taught how to become co-creators with the God-force. It teaches that every being in the universe is an individual face and expression of God, and that brotherhood was simply the rational result of this comprehension.

5.2 Literally all of the elitist, sexist, materialistic distortions to the true Law of the Templar were perpetrated through the influence of the Anunnaki Resistance, some of their ET co-conspirators and the Templar-Annu Resistance loyalists lineage who became their earthly so called ‘satanic’ operatives.

5.3a. The Templar distortions have evolved into a massive program, which has repressed the majority for the benefit of the few, and has caused humanity to lose comprehension of its divine source abundance and the true potentials of its evolutionary heritage.

5.3b. The Private Attorney in service to Pope Francis, Anna von Reitz, declares the “Office of the Roman Pontiff vacant since 2011”; however, on 30 August in the year 2011, the seventh of his Pontificate, BENEDICTUS PP. XVI\* transferred certain competences from the Congregation for Divine Worship and the Discipline of the Sacraments to a new Office set up at the Tribunal of the Roman Rota:

“Article 126 § 1. The Roman Rota is a court of higher instance at the Apostolic See, usually at the appellate stage, with the purpose of safeguarding rights within the Church; it fosters unity of jurisprudence and, by virtue of its own decisions, provides assistance to lower tribunals.

§ 2. An Office has been set up at this Tribunal to examine the existence of a just cause for granting a dispensation. It therefore receives all the acts, together with the *votum* of the Bishop and the remarks of the Defender of the Bond, weighs them according to its own special procedure and, if the case warrants it, submits a petition to the Supreme Pontiff requesting the dispensation.”

“I\* order that everything established by this Apostolic Letter *Motu Proprio data* be fully observed in all its parts, notwithstanding anything to the contrary, even if worthy of particular mention, and I establish that it be promulgated through publication in the daily newspaper *L'Osservatore Romano* and that it come into force on 1 October 2011. © Copyright 2011 - Libreria Editrice Vaticana”. The *resignation* of Pope *Benedict XVI* occurred on 28 February 2013 at 20:00 (8:00 PM) CET (19:00 UTC).

7. According to the Private Attorney in service to Pope Francis, Anna von Reitz, the “Office of the Roman Pontiff is vacant since 2011” and all laws “derive from the practice and beliefs of Satanism” in order to attribute abundance and wealth to Satan, instead of attributing abundance and wealth to God-force co-creation Sacred Law Of One.
8. Whereas members of all spiritual denominations—unknowingly—are being deliberately made accomplices of the satanic “poisoning of water”—oath and satanic “inflicting pain on one is inflicting pain on all”—blood oath; the recognition of the inherent dignity of all members of the human family, has resulted in the Sacred Law Of One Decision to abolish all satanic rituals.
